45 second live performace recap

BIO

Formed in 2016, **Expansion Project** is a focused & hardworking trio, dedicated to pushing themselves everyday to spread the message of peace and positivity through music. Their evolving sound mixes jazz fusion with funk and high energy dance rhythms that keep people engaged and dancing.

The band unveiled their self released debut album **Conscious Tortoise** in October of 2018. Recorded independently then mixed and mastered with the help of **Grammy Award winning Engineer, Phil Nicolo.** (John Lennon, Aerosmith, Bob Dylan, Sting, Lauryn Hill..)

Expansion Project has performed at festivals across the northeast including Delaware, Pennsylvania, New Jersey, New York & Vermont. Opening for bands including Sunsquabi, Ghost-note, Tropedelic and sharing the stage with members of Lotus, Tauk, Dopapod, Moe & Aqueous.

Combining the talents of
Matthew Silva (Keyboards)
Anthony Tilotta (Bass)
Zamere Williams (Drums)

INFLUENCES

Chick Corea | Disco Biscuits | Herbie Hancock
